**BOSS**

HUGO BOSS is a global leader in the upper-premium apparel market. With around 14,700 employees worldwide, the German group develops and sells high-quality fashion and accessories for women and men under its BOSS and HUGO brands.

Products range from classic and contemporary apparel, elegant evening fashion and casual wear through to shoes, leather goods, and licensed products, including fragrances, eyewear, watches, kidswear, home textiles, umbrellas, and writing instruments.

The promotion of the brands is accompanied by numerous events, campaigns, and high-profile sports sponsorships that convey brand values such as success, creativity, innovation, and quality. Sponsorship of cultural events is another key area of focus at HUGO BOSS, as the group frequently creates common ground between art and fashion with respect to design, aesthetics, and creativity. The HUGO BOSS writing instrument line was launched in 2015 and has quickly become a force to be reckoned with on the premium stationery market.

By approaching this segment with a fashion house's point of view, the HUGO BOSS line offers perfectly crafted and performant products with an enduring focus on innovative design.

The full range features coordinating stationery – including notebooks, folders, and pen cases – as well as an assortment of electronic products, consisting of powerbanks, earphones, speakers, and a wine bottle opener. The assortment is completed with stylish lifestyle accessories, such as bold logo-printed yoga mats and resistance bands, that convert your sports equipment into true fashion statements.

The image shows three BOSS leather-bound notebooks. Two are in the upper half, one in black and one in navy blue, both with the word 'BOSS' embossed in white. The third notebook, in a camel color, is in the lower right. The leather has a classic pebbled grain texture. The notebooks are arranged diagonally, creating a sense of depth and showcasing different color options.
